### Roles and Responsibilities:

Reporting to the Managing Director, Terry's main responsibilities include:

- Managing all aspects of Health and Safety;
- Liaising with contractors on site and carrying out inductions;
- Identifying and organising training needs;
- Producing safe working procedures and risk assessments;
- Accident reporting and analysis;
- RIDDOR reporting.

### Work Experience:

Terry has worked at DavyMarkham since 1986, having joined the company as an Electrical Charge Hand. During this period he has gained a vast amount of knowledge and experience in relation to electrical and mechanical dangers and was employed to find faults on a wide range of electrical and mechanical equipment.

Terry has over 13 years Health and Safety experience. Although Terry's main responsibility is the management of Health and Safety he also has valuable skills in engineering with over 32 years experience. Prior to joining DavyMarkham Terry worked as a Shift Maintenance Electrician at a large steelworks and as a Maintenance Electrician in the mining industry.

Terry has been in his present role of Health and Safety Manager since 2005. In this position he liaises with Civil Engineering Contractors, Electrical Contractors, Gas Installation Contractors, Machine Moving Contractors and our own personnel in order to maintain a safe working environment.
